Press Release

## “Edo à la carte – L'estampe numérique”

Modern Japanese ukiyoe

To celebrate the 400th anniversary of Edo's creation, aiD'en is revealing works based on the Japanese woodblock print "ukiyo-e" that were loved for over two centuries, illustrating everyday life.

Six artists from aiD'en present estampe numérique (digital prints) on modern EDO.

The works will be on sale, one size (A3), one price, the perfect Christmas present or for your interior.

Don't miss the occasion to discover this new form of art.
